Geschichte

Während der Reise durch die Perlen der Schweizer Alpen, in Saas Fee, entstand die Marke ZASPERO aus unserem Traum, durch Schweizer Handwerkskunst eine einzigartige, elegante Uhr mit unverwechselbarem Design zu kreieren, welche sowohl zu modebewussten Damen als auch Herren passt.

Qualität und Design entwickeln wir fortlaufend weiter, um den Bedürfnissen und Lebensstil der Kunden gerecht zu werden. Ihre Rückmeldungen und Ideen fließen direkt in unsere Uhrkreationen ein und erfüllen somit die Erwartungen unserer Kundschaft. Dieser konstante Kreislauf ist durch unser Zaspero Logo der vier „Z“-Windmühle symbolisiert.

Dank der Unterstützung und Loyalität unserer Kundschaft, die zur Popularität von Zaspero beigetragen haben, sind wir stets motiviert sowohl neue Uhr Kreationen als auch Lederwaren und Schmuck zu entwickeln.

Wir sind immer vom Geist der Schweizer Handwerkskunst inspiriert worden. In dieser Weise repräsentieren unsere Uhren hohe Qualitätsstandards und künstlerisches Design. Deshalb steht, Royal Eternity "unserer Marke ZASPERO für diesen ewigen künstlerischen Geist." Das ist die Philosophie, die wir leben.

While travelling through the beautiful pearl of Swiss Alps, Saas Fee, ZASPERO watch was born out of our dream to create an eternal brand based on Swiss craftsmanship and with unique, elegant and fine design, which suits fashion-conscious ladies and gentlemen.

We have continuously developed design and quality to match the people's lifestyle and needs. Their feedbacks and ideas flow directly into our creations and hence fulfill their expectations. This constant circulation is symbolized in our ZAPER0 four "Z" windmill logo, as well.

Thanks to the support and loyalty of our customers, ZASPERO gained more and more popularity, which also motivates us to constantly create new watch models as well as wallets, bags, belts and jewellery.

"We have always been inspired by the artisan spirit of Switzerland. Thus, our watch creations are representing gorgeous design and uncompromising quality standards. Therefore, the ZASPERO brand of Royal Eternity stands for a perpetual artisan spirit. "That is the philosophy we live up to.

Designer

Fabrice Frankiel, geboren 1973 in Paris, war mit ausserordentlichen Beobachtungsfähigkeiten und Talent fürs Zeichnen ausgestattet. Deshalb interessierte er sich bereits in jungen Jahren für Design und besuchte die prestigeträchtige Schule für Design und Kunst, die "école Boulle" in Paris.

Während seiner Ausbildungszeit war er völlig in seinen Arbeiten zu industriellem Design vertieft und als Abschlussarbeit präsentierte er innovative Designs für Parfümflaschen und Möbel. Somit gewann er die Aufmerksamkeit bekannter Grossmarken, welche von seiner Kreationen begeistert waren.

Im Umfange der Arbeiten beim Design Projekt für OPEX, bei der Minimalismus und Einzigartigkeit die Themen waren, standen seine Kreationen wieder im Rampenlicht, was ein weiterer Schritt für ihn war, in der Uhrenindustrie Fuss zu fassen.

So schloss sich Fabrice Frankiel das Design team rund um die Marken OPEX und OXYGEN an, wo er für einige Jahren arbeitete und wichtige Erfahrungen sammelte. Während dieser Zeit erhielt er den Spitznamen " Mr Europe" von der Europäischen und Asiatischen Design Community. Dieser symbolischer Name stand für seinen minimalistischen Design Stil.

Fabrice Frankiel's letztes Projekt war stark von der Idee motiviert, Europa mit Asien zu verbinden. "Frankiel & You" repräsentiert die universelle Verbindung zwischen Dir und Mir sowie Alle von uns. Dieses Projekt hat zur Eröffnung der eigenen Boutique in Paris geführt und zahlreiche Fans in Paris, Milan, Berlin, Barcelona, bis in den Mittleren Osten und weiter nach Asien, inklusive Hong Kong, Japan und Korea hervorgerufen.

Heute ist Zaspero Swiss stolz, Fabrice Frankiel als Chef Designer bekannt geben zu dürfen.

Fabrice Frankiel, born in Paris in 1973, was gifted with observational skills and exceptional ability in drawing, especially croquis. Hence, in his younger years he got interested in design and joined the prestigious Design & Arts academy "école Boulle" in Paris.

He was totally absorbed with his works related to industrial design during his schooldays. For graduation he created innovative designs for perfume bottles and furniture and draw the attention of recruiters from major brands, who were fascinated by Fabrice's creations.

While working for the OPEX design project, whereas Minimalism and Uniqueness were the themes, his creations were put into spotlight, which was also the reason for him to take a step into the watch industry.

So, Fabrice Frankiel joined the OPEX and OXYGEN brand design team for a few years, where he gained valuable experiences. During this time, he got himself the nickname "Mr Europe" across the European and Asian design community. A symbolic name, that represented his design style of Minimalism.

Fabrice Frankiel's latest project is strongly motivated by the idea of linking Europe and Asia. "Frankiel & You" stands for an universal link between You and Me and All of us. This project lead to the opening of his own "Frankiel & You" boutique in Paris. So far he has gathered numerous fans of his works from Paris, Milan, Berlin, Barcelona, along the Middle East and all the way to Asia, including Hong Kong, Japan and Korea.

Today, Zaspero Swiss is proud to announce Frankiel Fabrice as Chief designer.
